CROSS COUNTRY

JOIN THE BOOSTER CLUB

The Perham Yellowjackets Cross Country Booster Club plays an active role in all of the "Behind the Scenes" finances of our Cross Country Program. The majority of our fundraising is done at our Summer Road Races - which we are very thankful for every parent, student and community member that help us. We would like to continue the support we have given the Cross Country team by offering all parents and community members the chance at financially contributing to the program as well.

Here are a few examples of things the Booster Club has paid for in the past.
